

GRACE

DJ GRACE CELEBRATES LIFE BY EVERY SPIN OF THE DISC. HAPPINESS IS KEY IN HER PERFORMANCES. SHE BREATHES SOUL. HER MUSIC IS HER MESSAGE, HER STYLE IS HER SIGNATURE.

Grace is an Artist, DJ and Producer. She knows her way around the world. One of the biggest female names for the highly chic and sophisticated clubs, venues and fashion shows.

Saint Tropez, Cannes and Monaco are her playground. She is at the same time welcomed in clubs around the world from **Dubai and Las Vegas to Miami and Marbella.**

DJ Grace's Soul House music is a pure, honest blend between house and African drum rhythms. Percussion skills are combined with an astonishing interaction with her crowds, which makes every set into a unique experience. The next step is releasing an album that will make people feel at home as happy and inspired as they are during the DJ's performances. Work in progress!
